

# THE HIGH SCHOOL *of Glasgow*

## Guidelines on Visiting the High School of Glasgow during the COVID-19 Pandemic

Visitors to either our Junior or Senior School must comply with the following guidelines, as set out by the Government in relation to COVID-19 in educational settings:

- On arrival, make use of our hand sanitising stations. You should also regularly wash and sanitise your hands throughout your visit.
- Wear a mask at all times while within the school building, including in corridors, classrooms, communal areas and toilets.
- Remain at least 2 metres apart from pupils and staff at all times.
- Try to avoid touching your face. When coughing or sneezing, use a tissue and immediately dispose of it once used.
- If feeling unwell (with symptoms including either - high temperature; a new and continuous cough; or a loss of or change in taste and smell), reschedule your visit until at least 14 days have passed.

Visitors are required to provide contact information for the purposes of supporting the NHS Test and Protect system (this information will be deleted by the school 21 days after your visit).
