## School Song

O Alma Mater glorious  
So great, so grave, so good,  
We hail thy name victorious  
With joy, with gratitude.  
To those who trustful founded  
Thy walls beloved be  
Renown and love unbounded  
Unbounded love to thee.

To those who follow after,  
To fill the place we fill,  
Who come with shout and laughter  
For ours that shall be still,  
We trust this sacred mission,  
Pray God when we are gone,  
They raise the high tradition,  
And pass it glorious on.
